Discussion Panel

○ Life After Residency

Moderated by Dr. Naila Ahmad

▶ Dr. Matthew Satterly

Everything You
Need to Know
for Financial
Success in 8
Minutes

▶ Dr. Christian Taylor

An Early Career
Anesthesiologist's
Perspective on
Career Advice

▶ Dr. Raul Castillo

Life After
Residency

Everything You Need to Know for Financial Success in 8 Minutes

▶ **Matthew Satterly, M.D., FASA,
MSA President**

Matthew V. Satterly M.D., is a board certified anesthesiologist practicing in St. Louis MO. He is a partner with Western Anesthesiology Associates Inc. where he has worked since 2014. Dr. Satterly grew up in Louisville Kentucky and attended medical school at the University of Louisville. He completed his residency at the University of Chicago in 2012 as well as a fellowship in chronic pain management in 2013. Dr. Satterly is the medical director of the Preoperative Anesthesia Evaluation and Consultation (PACE) clinic at Mercy Hospital. He chairs the Quality, Safety and Performance Improvement committee and is involved in many aspects of WAAI including the regional anesthesia service and Premier Dental Anesthesiology. Dr. Satterly enjoys spending time with his wife and 3 children, and with limited spare time enjoys hiking, back-country camping, mountain biking, snowboarding and rock climbing.
