2024 MSA Annual Meeting April 27, 2024

Target Audience

This meeting is designed for Anesthesiologists and Residents/Fellows.

Objectives

At the conclusion of this activity participants will:

- Identify advocacy issues facing MSA members at both a state and national level.
- Formulate an anesthetic plan to the care of complex critical care patients and how to mitigate delirium according
 to new research information.
- Describe the perioperative pain management plan including opioid discussion specifically with ketamine treatment, chronic pain management, multimodal postoperative pain control, and integrative medicine.
- Formulate an anesthetic plan for patients on Ozempic, experiencing acute intoxications of various substances, and requiring glucose management for optimal outcome.
- Identify and discuss the seven habits for highly safe anesthesiologists for personal and professional enrichment.

Accreditation and Designation Statements

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of American Society of Anesthesiologists and the Missouri Society of Anesthesiologists.

The American Society of Anesthesiologists is accredited by the ACCME to provide continuing medical education for physicians.

The American Society of Anesthesiologists designates this live activity for a maximum of 7.00 AMA PRA Category 1 Credits TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

SNAP Talk 1 Session meets 1.75 CME credit hours towards the content requirements of the MATE Act.

Commercial Support Acknowledgement

The CME activity is not supported by any educational grants from ineligible companies.

Disclosure Policy

The American Society of Anesthesiologists remains strongly committed to providing the best available evidence-based clinical information to participants of this educational activity and requires an open disclosure of any potential conflict of interest identified by our faculty members. It is not the intent of the American Society of Anesthesiologists to eliminate all situations of potential conflict of interest, but rather to enable those who are working with the American Society of Anesthesiologists to recognize situations that may be subject to question by others. All disclosed conflicts of interest are reviewed by the educational activity course director/chair to ensure that such situations are properly evaluated and, if necessary, resolved. The American Society of Anesthesiologists educational standards pertaining to conflict of interest are intended to maintain the professional autonomy of the clinical experts inherent in promoting a balanced presentation of science. Through our review process, all American Society of Anesthesiologists CME activities are ensured of independent, objective, scientifically balanced presentations of information. Disclosure of any or no relationships will be made available for all educational activities.

Disclosures will be provided to learners onsite.

All other planners, faculty, reviewers, and staff have disclosed no relevant financial relationships with ineligible companies.

Disclaimer

The information provided at this activity is for continuing medical education purposes only and is not meant to substitute for the independent medical judgment of a healthcare provider relative to diagnostic and treatment options of a specific patient's medical condition.

CLAIMING CME CREDITS

To claim credit for the 2024 MSA Annual Meeting:

All communication is sent to the email listed on your ASA account. If your email has changed, please log in and update it before the end of the meeting. Credit claiming emails will be sent within two weeks of the meeting.

- 1. Complete the evaluation.
- 2. Click on the certificate, enter the credit you are claiming.
- 3. Print your certificate or save it as a PDF for your files.

It is highly recommended that you claim credit within two weeks of receiving the credit claiming email.
