2022 Annual Meeting

The Missouri Society of Anesthesiologists is pleased to request your participation as an exhibitor partner in our **2022 Annual Meeting on Saturday, April 9th at the Ritz Carlton of St. Louis.** As the largest gathering for Anesthesiologists in the state, our members are eager to meet back in person and we anticipate a high turnout. We will continue taking safety precautions but look forward to being able to provide our exhibitors direct interactions with our members.

We consider this an excellent opportunity for you to meet with anesthesiologists as well as demonstrate and display your products in person. MSA continues striving to improve the exhibitor experience through increased exposure to our physician anesthesiologists.

In this prospectus you will find new ways to connect with our members and learn about the experience you as an exhibitor will have at the annual meeting.

Please send any questions to **Kelley Nichols** at info@msahq.com. We look forward to your participation in what we are confident will be a successful MSA Annual Meeting.

Sincerely,
Dr. John Hagen
MSA President
